24th June	Tony M; Stephen M; Scott M; Geoff M; Andrew M; Arthur M; Iben M; Yannis M; Adrienne M; Kathy M. Clays; IPSC pistol/revolver

Your Range Duty includes both **setting up and taking down** of your allocated stages. **If you are not able to do your range duty, please arrange your own substitute.**

New members who would like assistance to set up should report to the Club Captain on arrival and he will find a member to assist.

Stages need to be checked by the Club Captain prior to the 11.00 AM start, so you need to be there at 10.00AM sharp.

You all have a copy of the new roster. Please note your range duty dates in your calendar as the secretary shouldn't have to remind you when you are rostered on.

CHANGES TO RANGE DUTY DETAILS

As you will notice the range duty roster has been changed to allow for more people to be responsible to set up ranges, as was decided recently. This is because of the woeful turn ups in the past.

Competition will commence at 11AM.

Entry closes at 1PM

Please email Club Captain Justin, if you are unable to fulfil your duty or find a substitute-

FROM THE VICE PRESIDENT

Hi, everybody thanks to all the Members who helped last Saturday night.

The night went off with a bang and everybody seemed to enjoy the food in fact there were several suggestions from members that we could do another night in a similar vein; perhaps a comfort fire and a meal before we get into fire ban season.

I would like to thank John R. Not only did John supply the lamb, the tzatziki sauce, pita bread, and charcoal, he also donated the spit we used to cook for the night. A Big Thank You, John.

I would also like to thank the usual team who helped in the kitchen and those members who helped clean up after the night's festivities.

In the next few weeks there will be some earth works on range eleven and on the ranges down the hole. It is also intended to place gates and blocks on the front of range 11.

Please note that until further notice, ranges 15 and 16 down the hole will be closed for maintenance.

More information will be made available in the next newsletter about range facility and range props

Regards Steve Brown

If you have any ideas or suggestions please drop me a line at campbellm700@gmail.com
