

## PRODUCTION DIVISION LIST

Below is the list of pistols currently approved for Production Division. However, IPSC does not guarantee that a model currently listed may not be removed from the list in the future. IPSC reserves the right to modify this list at any time.

For further information about the requirements of Production Division, please refer to Appendix D4 of the [IPSC Handgun Rules](#), available for download from this website.

For Action Air Production Division, only replicas of the handguns listed below are approved

**Note:** Please read the [Rules FAQ](#) for answers to any questions you may have.

If you wish to comment about the list, please send an email to: [prodlist@ipsc.org](mailto:prodlist@ipsc.org)
